

## SK35

27.04.2017

### End clamp bracket

used as a fixing bracket at the end of a row of terminal blocks  
fits on N35-2, N35L-2, N35L-2\_15MM rails

#### General Data

Type Reference:	SK35
Description:	End clamp bracket
Approvals:	CE
Terminal type:	end clamp bracket
Mounting method:	screw fastening
Torque:	0.8...1.0 Nm
Max. storage temperature:	-40°C ... 80°C
Max. operating temperature:	-30°C ... 40°C

#### Data acc. to IEC 60947-7-1

Flammability class acc. to UL94:	V2
Material group:	I
Insulating material:	PA 6.6

#### General Data

mounting screw:	C 3.5 x 7.5 mm (self-tapping screw, zinc-plated)
-----------------	--

#### Note

used as a fixing bracket at the end of a row of terminal blocks, fits on:  
N35-2, N35L-2, N35L-2\_15MM
