

RKSSA18

23.05.2024

Series	OKTRON® -R
Category	Key actuator
Design	round

General Data

Illumination	No
Protection class front	IP65
Installation opening	Ø 16,2mm
Installation depth	12.65mm
Front frame color	anthracite

Electrical Data

Protection class	II (protective insulation)
------------------	----------------------------

Mechanical Data

Switching position	-45° Key removal 45° Key removal
--------------------	-------------------------------------
